

SARDAR VALLABHBHAI PATEL INSTITUTE OF TECHNOLOGY
Computer Engineering Department
Student Achievement Data

Sr no:	Student Name	Enrollment No	Name of Event	Date of Event	Year of Event	Major category of event	Level of Event	Achievement level (status)	Host of Event
1	Jay Shaileshkumar Patel	200410107506	Hero hacks	10/4/2021	2021	Hackathon	International	Winner	Major League Hacking
2	Jay Shaileshkumar Patel	200410107506	Light Camera Hacktion!	10/11/2020	2020	Hackathon	International	Winner	Major League Hacking
3	Trishala Asimananda Sw	200410107507	Know Yourself Quiz	6/1/2020	2020	Technical	National	Winner	Satkarya, REC Bijnor
4	Trishala Asimananda Sw	200410107508	National Engineering Olympiad	6/15/2020	2020	Technical	National	Winner	Aspiring Minds, REC Bijnor
5	Trishala Asimananda Sw	200410107508	Flamingo	11/20/2020	2020	Technical	National	Winner	ACM, Thapar
6	Trishala Asimananda Sw	200410107508	Posto Creato	11/23/2020	2020	Nontechnical	Intercolleg	Winner	IEEE, LBSITW
7	Trishala Asimananda Sw	200410107508	Script It	11/23/2020	2020	Technical	Intercolleg	Winner	IEEE, LBSITW
8	Darshil Rathod	200410107063	Working as founding team member and App Lead at bluelearn.in (India's largest student community). We have raised a total of \$4M in funding till now.						
9	Harsh Mauny	170410107046	Project details:- Amid the COVID-19 Pandemic I as a part of a team developed a project management platform on which corporate companies can manage their work with total privacy and ownership during remote work from home. We started working on the project in early April 2020 and named it DevIT. DevIT is an open source project secured by BlockStack with commitment of privacy and ownership for remote workspace. Also participated in the following hackathons with our project:	11 April/International	2020				
10	Devarsh Panchal	170410107052	Event name & details:- MLH-share: It was a digital global event where programmers with all skill levels, beginners to most veteran developers participated. In this hackathon we won "the Best open source project on						
11	Naivedh Shah	170410107104							
12	Harsh Mauny	170410107046	Project details:- Amid the COVID-19 Pandemic I as a part of a team developed a project management platform on which corporate companies can manage their work with total privacy and ownership during remote work from home. We started working on the project in early April 2020 and named it DevIT. DevIT is an open source project secured by BlockStack with commitment of privacy and ownership for remote workspace. Event name & Details:- CovLab Global: A 3-week long online hackathon from April 13 to May 4th with the goal of helping people across the world collaborate on projects such as mobile apps, websites, and hardware that will help fight against the societal problems that COVID-19 has caused -- social isolation, loss of business income, the inability to be productive, and more. About 700 people participated internationally in this event and our project emerged in the "Top 10 prize category" . we achieved gifthamper	24 th April to 4 th may International	2020				
13	Devarsh Panchal	170410107052							
14	Naivedh Shah	170410107104	To know more check out the project on devpost: https://devpost.com/software/devit						
15	Shailee R. Desai	170410107017	Silver badge in Nptel course named The joy of computing using python	19 th Dec/National	2020				
16	Vivek Kamleshkumar patel	170410107085	Dockship object detection AI challenge winner.	13 th Jan/International	2021				
17	Pranit Brahmabhatt	170410107010	talk on "An outburst of Deepfakes" was selected at FOSS Asia 2020	4 th March/International	2020				
18	Prachi Anilkumar Ka.patel	170410107034	Hacktoberfest 2020 7th rank in National Quiz on c++	17 th June/National	2020
