

SVIT VASAD Receives MHRD Grant of Rs. 22 Lacs for Modernization of Labs

Under Ministry of Human Resource Development – MHRD, the governing body for Higher Technical Education- All India Council for Technical Education-AICTE provides grants to Engineering Colleges & Universities for upgradation of Laboratories runs Modernization and Removal Obsolescence Rural (**MODROB-Rural**) Scheme. AICTE invites project proposals from colleges & Universities and based on selection of project, MHRD releases Financial Grants.

The proposals submitted by Dr. P. V. Ramana, Professor & Dean (R&D) and Dr. D.S. Shah, Asst. Professor of Mechanical Engineering Department and Dr. C.D. Kotwal, Head & Dr. N. S. Shah, Asst. Professor with Electrical Engineering Department, received financial grant worth **Rs. 22 Lacs**.

For the Mechanical Engineering Department, a grant of **Rs. 15 Lacs** approved for upgradation of “**Facility development for Dynamic Balancing Using Horizontal Balancing Machine**”, & for Electrical Engineering Department, a grant of more than **Rs. 7 Lacs** approved by MHRD for “**Upgradation of Power System Protection Laboratory**”.

So with grant worth **Rs. 22 Lacs**, it will benefit the nearby Industrial zones like Nandesari, Vitthal Udyognagar with Industry-Institute Interaction. It will prove a big step towards **Make in India** and **ATMANIRBHAR BHARAT**.

For getting shortlisted, the project proposals and fetching grant worth Rs. 22 Lacs under MODROB-Rural scheme, Honorable Chairman of SVIT, Shri Bhaskerbhai Patel, Secretary Shri Bhaveshbhai Patel, Vice Chairman Shri Dipakbhai Patel, Principal S D Toliwal & entire SVIT family has congratulate the Professors.

Prof. (Dr.) P V RAMANA

Prof. Dr. D S Shah

Prof. Dr. Chetan Kotwal (HOD Elect.)

Prof. (Dr.) Nilay N Shah
