Report of Women's Day Celebration 2022

Date: 8th March 2022

Time: 10 am onwards

Venue: 2nd floor Aeronautical Auditorium, Sardar Vallabhbhai Patel Institute of Technology Vasad.

Theme: STARTUP, INNOVATION AND ENTREPRENEUR

The event started at 10 am with the inspiring talk of Ms Manish Shukla. She did her graduation in Electrical Engineering from BVM. At present, she is working as Customer Support and Training Manager at Hitachi Energy, Vadodara, formerly known as ABB India Ltd.

Then it was followed by Ms Mudra Trivedi. She did her B.E. IT from SVIT during 2004 to 2008, and MBA from Australian Institute of Business. Since 2010, she is in Adelaide Australia. For more than 9 years, she worked in Human Resources in various corporate sectors. She had briefed about her career setup in Australia and also gave time for interaction.

Student volunteers had displayed a short video depicting inspiring women achievements which included eminent personalities such as Sudha Murti, Lata Mangeshkar and so on.

Felicitating management representatives was done by faculties. This was followed by series of talks from our prestigious alumni, starting with Nira Shah. She did her Bachelors in EC Engineering from SVIT, Batch of 2009. She joined TCS as a campus hire and later pursued her MBA and specialized in Human Resources. She talked about the growth stages of her entrepreneur career.

Ms Sheetal Jhavar founder of Aquarius management Ahmedabad. She passed her BE (IT) from SVIT in 2016. She is an entrepreneur. She is running her own business in marketing industry. She shared her experiences.

Ms Saima Patel delivered a motivational talk beginning with cheering all ladies for having the power to achieve their dreams. She discussed the path of struggle and constant tracing of her dream. She is B.E. E&C – 2016 pass out. She had represented SVIT at national level in many sports events, while she was studying at SVIT. At present, she is serving in the Indian Army. She motivated the students to join the Army and serve the nation

Dy Collector Ms Neha Panchal talked about her career from being an EC engineer to ISRO work experience and later to join as deputy collector Kheda district. and awareness about the life of women in rural areas.

Prof Pallavi Mahida had shared her experience at KBC by a short video. This was followed by a brief talk by the management representative Mrs Uttara N Patel.

Then the vote of thanks was delivered.

It was followed by lunch at Architecture basement around 1.30 pm. After an hour, fun activities were planned by the student volunteers both for students and faculties. For faculties game of treasure hunt was setup at Architecture backyard and for students it was arranged at Aeronautical auditorium.

The second session of fun activity which included Dumb Charades for faculties which was great icebreaker was arranged in Aero auditorium.

The photos and detailed schedule are also attached for your kind reference along with this report.

The Women Development Cell of SVIT Vasad has organised interactive workshop on “Empowerment” as a part of 25th silver jubilee and international women’s day celebration on 9th and 10th March for the Students of engineering and architecture.

We believe in an empowered society which is possible by educating our young generation, boys and girls together.

Ms. Nimu Patel, a distinguished Expert, English teacher and communication trainer from London (UK) was the resource person. She gave reasons and need for gender equality and demonstrated the ways to the attendees to empower each other. The whole workshop was conducted through lots of activities, games and discussions.
