

ENTERPRENEURSHIP DEVELOPMENT CELL (EDC)

ACTIVITIES UNDER EDC

S. V. I. T- Vasad received grant of Rupees 4.2 Lacs from A. I. C. T. E in 2011 for developing entrepreneurship development cell at the institute. The grant was sanctioned as Recurring grant of Rupees 1.00 Lacs and Non-recurring grant of Rupees 3.20 Lacs.

From the Non-recurring budget, procurements were done to establish full fledged ED-Cell with seminar room and other supportive facilities like books and journals.

Further the ED Cell also caters the need for institutional requirement of well developed auditorium having strength of about 80 people for various technical, training and placement talks, Expert lectures, student activities and other events of student interest.

20	Software Skill Development program “Computational Fluid Dynamics”	7/1/19 & 8/1/19	Mr. Venkateshwar Professional trainer to Industries	30 students
21	“General Awareness of E Cell and Formation of E Cell at SVIT in collaboration of IIT Bombay”	04/09/19	By Manvesh Shah	40 students
22	“Entrepreneurship Journey”	20/09/19	ALUMNI OF IT DEPARTMENT	142 Students
23	“Business Model Studies”	25/09/2020	Case Studies of SVIT Alumnus	124 students

Two faculty members of S. V. I. T, VASAD attended the faculty development programme (FDP) at EDI Gandhinagar and took the 15 days training, for cultivating the enterpreneural traits in young graduate entrepreneurs.

Many students took the advantage of guidance given by Centre for Entrepreneurship development (CED), they solved the queries, related to fund procurement and initial support extended by government to encourage the budding techno entrepreneurs. This was liassoned and facilitated by the ED Cell S. V. I. T Vasad.
